

*Another View of the Conference with McClellan*

O-67A

O-67B

LINCOLN SITS PIGEON-TOED, hands in lap, in this second view of his conference with McClellan. Published in its entirety for the first time direct from the original glass negative plate in the Library of Congress, this stereograph was taken by Alexander Gardner, operator for Mathew Brady, Antietam, Maryland, Tuesday, October 3, 1862.
